## RE: Data Element Conformance Statement on University of California – Policy on Gender Recognition and Lived Name

Provider demographics module conforms to the UC Policy: Gender Recognition and Lived Name (<https://policy.ucop.edu/doc/2700693/GRLN>)

As outlined in Section IX, Part II, we can certify that the following data elements are in compliance. Silicon MED North America Inc recognizes the efforts by the University of California to standardize the collection and reporting of gender identity, lived name and sexual orientation.

- (1) Collection of gender identity information  
***The expanded Option B is implemented.***
- (2) Collection of sexual orientation information  
**The current list includes required options with links to a glossary of terms.**
- (3) Collection of a Lived (or preferred) names.  
**An option is available to collect a Live/Preferred name.**
